

# TRADE EXHIBITION

7 - 11 June 2018 Werribee Park

Eventing is one of the most exciting and demanding equestrian sports. It tests the partnership between horse and rider to the absolute limit. Boldness, agility, stamina and precision are all required in equally great measure and it takes some exceptional riding, ice cool nerves and a horse that is fit and careful to be right there in the mix at the end of two jumping rounds.

**MI3DE was first held in 1957 and has developed into the ultimate annual proving ground for some of Australia's best riders and horses.**
